THE MUSICAL

Professional training in Musical Theatre  
Culminates in a show live on stage!  
**August 13-24, 2018**

Join us for a Summer Camp like no other...

Broadway Bound originated as Star Potential Studios in Toronto under the direction of Lena Palermo. The past two summers they have brought two successful summer musical theatre camps to Victoria. Matilda (the new hit Broadway show) and Spotlight on Broadway (a review style show incorporating many new Broadway hits). This year they bring School of Rock the Musical which is currently playing on Broadway. Students will work on a shortened version of the production and present their own show live on stage. Sing! Dance! Act! And have fun!!

Camp Location : 5182 Cordova Bay Rd. St. David's By The Sea
