

# Brentwood PAC Presents our West Coast Seed Fundraiser

West Coast Seeds has provided us with a selection of herbs, vegetables and flower seeds to purchase for our fundraising campaign. Our school will earn 40% of each seed packet sold. Once our final order is submitted all our sales will be sent to the PAC for distribution. For this reason please ensure your contact information is correct when submitting your order.

**Our online fundraising campaign will run from  
January 10th - January 30th, 2022.**

**To Make an order please visit:**

**[Fundraising.westcoastseeds.com](https://fundraising.westcoastseeds.com)**

**Scroll through the available seeds for purchasing and add them to your shopping cart. Please create a login account for your purchases, do not login as a guest. At checkout please make sure to select Brentwood Elementary School in the drop-down menu, then 40% of each seed packet sold will be added to our fundraising total.**
