KINDERGARTEN ORIENTATION DAY

**Come and spend the afternoon with us on
Thursday, April 30th from 1:00 to 2:00 p.m.**

Dear Parents / Guardians:

Welcome to Brentwood Elementary School! We would like to invite you and your child to attend an information orientation session at the school with our Principal, Mrs. Hardcastle, members of Brentwood P.A.C. (Parents Advisory Council), our Otter-Be-Fun, Out-of-School Care, and Brentwood's present Kindergarten teachers.

We will all meet in our Multi-Purpose Room for introductions. Following this children will go with the kindergarten teachers for a visit and a short activity. Parents will remain in the Multi Purpose Room for a short presentation and have an opportunity to ask questions about the Kindergarten program.

Those new to Brentwood Elementary will be offered a tour of the school. Students will then return for refreshments.

****Please Mark your Calendar with this date as we hope everyone is able to attend****

Respectfully,

Mrs. Shelley Hardcastle,
Principal
