

Number of the Day

Roll 1, 2, 3, or 4 dice to find your number of the day.
1 die is easiest, 4 dice is a challenge.

-	Number of the Day	+
---	-------------------	---

Use your number in a 10 frame

What are some ways to make your number?

Example: $2 + 2 + 2 = 6$
 $10 - 4 = 6$ 3 and 3 is 6

Draw a set of objects.
